

Carronshore WAR MEMORIAL

Location: This memorial is set in a small iron fenced enclosure on the corner of the main Street and Kincardine Road. It faces south west and its polished face catches the setting sun.

Description: Metal slatted benches have been provided for those wishing to pay their respects. The tripartite stone marker is in the form of a low-arched gravestone with shorter rectangular slabs to either side. The central stone is inscribed:

"CARRONSHORE/ WAR MEMORIAL. DEDICATED TO THOSE/ WHO HAVE SERVED. FOUGHT AND DIED/ IN WARTIME./ THERE IS NO WEALTH BUT LIFE,/ THESE GAVE THEIR ALL."

In the centre is an embossed circular disc bearing the image of an anchor with a crossed pick and shovel in the background. It was erected by the Carronshore Heritage Forum in 2020.

The two plaques have the following names and in date order:
